

# Section Information Tool Rights

Last Modified on 03/31/2025 3:34 pm CDT

**Section Information** tool is where all the details about a section and its placement on a schedule are defined, typically by Schedulers or Curriculum Managers.

See the [Section Information](#) article to learn how this tool is used.

Scheduling & Courses > Courses > Section Information

**Related Tools:**

- **Course Sections:** Used to create new course sections. Editor displays basic details about a course's sections and can provide access to each section's Grade Book and Seating Charts.
- **Users need at minimum R rights to both Course Section and Section Information in order to be able to search for and select courses/course sections to work with.**

## Available Tool Rights

R	W	A	D
<ul style="list-style-type: none"> <li>• View section information</li> </ul>	Change or add section information	N/A	Delete a section
Course Sections			
<ul style="list-style-type: none"> <li>• View sections of a course</li> <li>• Use Edit button to view details of a course section</li> <li>• View seating chart for selected course section (if one exists)</li> </ul>
