

# Course Fees Tool Rights

Last Modified on 02/19/2025 10:27 am CST

The **Course Fees** tool lists all fees associated with that course and is used to list the fees that **can** be assigned to the course. The list of available fees is created in [Fees](#).

See the [Course Fees](#) article for details on adding courses.

Course Fees

Users also need at least **Read** rights to Section Information.
