# Course Fees Tool Rights

Last Modified on 03/31/2025 3:16 pm CDT

The **Course Fees** tool lists all fees associated with that course and is used to list the fees that **can** be assigned to the course. The list of available fees is created in Fees.

> See the Course Fees article for details on adding courses.

Course Fees

> Users also need at least **Read** rights to Section Information.
