

Behavior (Student) Tool Rights

Last Modified on 03/12/2025 9:52 am CDT

The **Behavior** tool lets staff such as Principals and Counselors see a history of the selected student's behavior events. Information about other students involved in a behavior incident with the selected student is not displayed.

See the [Behavior \(Student\)](#) article to learn more about how this tool is used.

Related Tools/Information:

Consider the following when assigning Behavior rights:

- Resolutions assigned in the Management Tool cannot be edited in the Student Behavior tool.
- Users must have rights to the Management Tool to use the Incident ID hyperlink and the Behavior Management icon.
