This tool is used by staff such as Front Office, Counselors, and Schedulers to manage **Blended Learning Group Assignments** for a selected student.

Blended Learning allows districts to create and assign learning groups to students to manage classes and attendance in a flexible setting (in a physical building, virtually, or a combination of both).

See the [Blended Learning Group Assignments](#) article to learn more about how this tool is used.

The screenshot shows the 'Blended Learning Group Assignments' page for a student. At the top, there is a breadcrumb trail: 'Student Information > General > Blended Learning Group Assignments'. Below this, the student's profile information is displayed: 'Abegg, Dylan V', 'Student #: 171900001', 'Grade: 11', and 'DOB: 09/15/2007'. The counselor is listed as 'Joy Counselor'. There are several status icons: a blue star for 'Medical Condition(s)', a red graduation cap for 'HS Graduation', a red person icon for 'Custody Restriction', a green person icon for 'Peer Tutor', and a blue NHS icon. At the bottom of the profile section, it says '504 Student' and 'All On-Site'. A 'Related Tools' dropdown menu is visible on the right. The main content area is a table titled 'Blended Learning Group Assignments' with columns for 'GROUP', 'START DATE', and 'END DATE'. The table contains two rows: 'All On-Site' with start date '07/12/2024' and end date '05/31/2025', and 'Hybrid - Virtual & On-Site' with start date '06/02/2025' and end date '06/13/2025'. At the bottom left of the table, there are 'Add' and 'Print' buttons.
