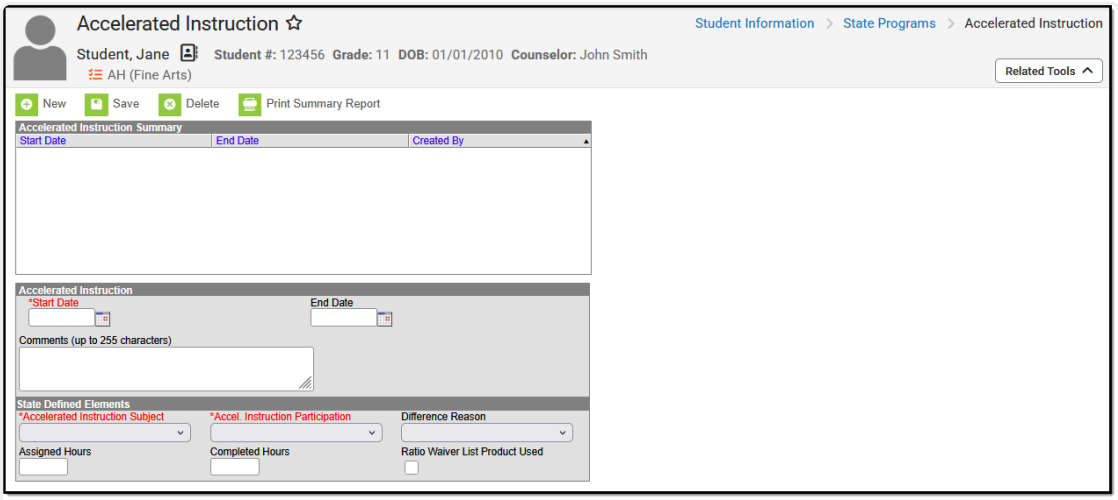
Tool Search: Accelerated Instruction

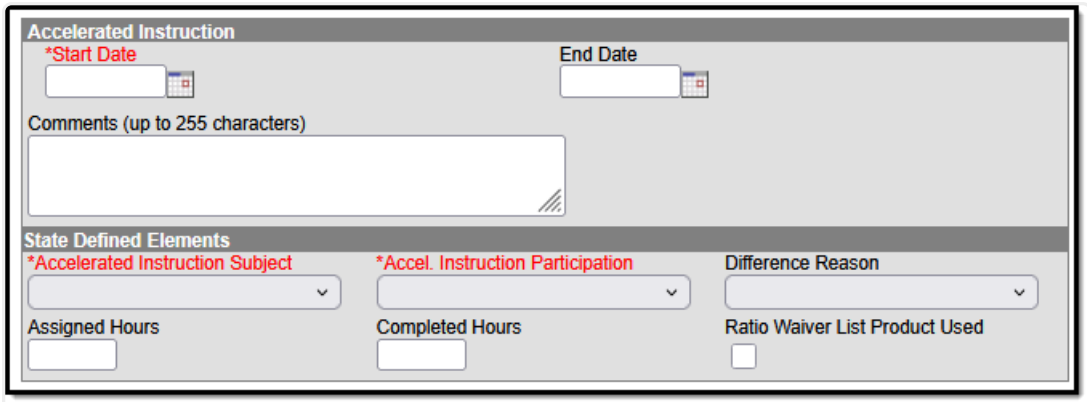
Texas law requires all students who do not achieve "Approaches" or higher on STAAR grades 3 through 8 or EOC assessments to be provided accelerated instruction. The Accelerated Instruction tool allows districts to track a student's participation in an Accelerated Instruction program as defined by the state of **Texas**.

Accelerated Instruction data reports in the Student Education Organization Associations Ed-Fi Resource.



Accelerated Education Editor

See the State Programs Tool Rights article for information about tool rights needed to use this and other State Programs tools.



Accelerated Instruction Editor

Use the Federal/State Program Updater to import existing Accelerated Instruction records for students or to update records for multiple students.

Add a record

1. Click the **New** button. The Accelerated Instruction Detail editor displays.
2. Enter the applicable information for the student.
3. Click the **Save** icon when finished. The saved record displays in the Accelerated Instruction Summary.

Records cannot overlap with the same ***Accelerated Instruction Subject***.
