Tool Search: Accelerated Instruction

Texas law requires all students who do not achieve "Approaches" or higher on STAAR grades 3 through 8 or EOC assessments to be provided accelerated instruction. The Accelerated Instruction tool allows districts to track a student's participation in an Accelerated Instruction program as defined by the state of Texas.

Accelerated Education Editor

Read - View Accelerated Instruction records.
Write - Edit existing Accelerated Instruction records.
Add - Add new Accelerated Instruction records.
Delete - Remove Accelerated Instruction records.

See the Tool Rights article for more information about Tool Rights and how they function.

Accelerated Instruction Editor

Use the Federal/State Program Updater to import existing Accelerated Instruction records for students or to update records for multiple students.

Add a Record

1. Click the **New** button. The Accelerated Instruction Detail editor displays.
2. Enter the applicable information for the student.
3. Click the **Save** icon when finished. The saved record displays in the Accelerated Instruction Summary.

Records <u>cannot</u> overlap with the same *Accelerated Instruction Subject*.
