

## **Waiver Tool Rights**

Last Modified on 11/10/2025 2:18 pm CS7

The **Student Waiver** tool allows schools to track a student's non-participation in something, or a variance in what the student receives.

See the Waiver article to learn more about how this tool is used.

## **Available Tool Rights**

R	W	A	D
<ul> <li>Select the Waiver tool and view the editor.</li> </ul>	<ul> <li>Edit existing Waiver details.</li> </ul>	Save new Waiver records.	Delete Waiver records.

## **Suggested User Groups**

Some groups may only need Read access to the information displayed in this tool.

• Counselors

See User Groups and Suggested Roles for more information.
