# Waiver Tool Rights

Last Modified on 03/12/2025 9:23 am CDT

The **Student Waiver** tool allows schools to track a student's non-participation in something, or a variance in what the student receives.

> See the Waiver article to learn more about how this tool is used.

Student Waiver

Available Tool Rights

R	W	A	D
• Select the Waiver tool and view the editor.	• Edit existing Waiver details.	• Save new Waiver records.	• Delete Waiver records.
