

Transportation Tool Rights

Last Modified on 03/31/2025 10:49 am CDT

The **Student Transportation** tool allows districts to record the bus the student is assigned to and from school and the vehicle the student drives to and from school.

See the [Transportation](#) article to learn more about how this tool is used.

Student Transportation Record

Available Tool Rights

R	W	A	D
<ul style="list-style-type: none"> Select the Transportation tool and view the editor. 	<ul style="list-style-type: none"> Edit existing Transportation records. 	<ul style="list-style-type: none"> Enter and save new Transportation records. 	<ul style="list-style-type: none"> Delete Transportation records.
