

## **Student Locator Tool Rights**

Last Modified on 12/14/2025 8:45 pm CST

The **Student Locator Wizard** allows users to search for existing students across the district and, when necessary, create new ones. This tool can also be used to locate and update information for a specific student.

See the Student Locator Wizard article to learn more about how this tool is used.

Users who also need to enroll a student through the Student Locator need at least the following tool rights assigned:

- Read rights to <u>Student Summary</u> and <u>Demographics</u>.
- Read, Write, Add rights to Student Locator and <u>Enrollments</u> (Student Information > General).
- Read rights to <u>Enrollments</u> (Census > People)

## **Available Tool Rights**
