

Person Documents (Student Information) Tool Rights

Last Modified on 05/20/2026 10:55 am CDT

The **Person Documents** tool allows users to view a selected student's uploaded person documents regardless of which tool was used to upload them. Users with rights to do so can manage the document list from here, as well as upload additional documents.

See the [Person Documents \(Student\)](#) article to learn more about this tool.

Student Information > General > Person Documents

[Campus Digital Repository](#) must be enabled in order for documents to be uploaded in Campus.
