

# Standards Portfolio Tool Rights

Last Modified on 12/23/2025 10:51 am CST

The **Standards Portfolio** displays all grades received for standards across the student's school career, tracking student progress towards proficiency on standards over time. Users must have appropriate tool rights to view data from previous calendars.

See the [Standards Portfolio](#) article to learn more about how this tool is used.

*Standards Portfolio*

**Read** rights to both the Standards Portfolio right and the Assignment Data subright need to be assigned in order to display the tool.

Users with tool rights to Standards Portfolio have access to previous years' data without requiring calendar rights to previous years. The Years filter displays any years in which the student was scheduled into a course that had standards aligned to it.

## Available Tool Rights
