

English Learners (EL) Module Tool Rights

Last Modified on 03/31/2025 3:31 pm CDT

The English Learners tools are used to enter and track data related to programs, accommodations, assessments, and services for English Learners. This article contains tool rights information for all the tools in the English Learners module. Individual states may have additional English Learners tools or requirements.

English Learners (EL) tools are Read Only for State Edition users. Information is entered at District and School levels. Fields vary by state. Please see your state's [State Tools](#) articles for more information on Digital Equity procedures in your state.

English Learners (EL)

The English Learners (EL) tool is used to enter basic EL information for a student.

For more information, see the [English Learners \(EL\)](#) article.
