## Related Tool Alert:

Immunization rules and required vaccinations vary by state. The logic used to determine compliance displayed in this tool is based on state-specific immunization rules managed in

the [Vaccine Setup](#) tool.

This tool displays in both **Student Information > Health** and **Health Office > Student Health**.

**Student Health Tool Rights Assignment:** When tool rights are assigned to *Student Information > Health > Immunizations*, the same tool rights are also assigned to *Health Office > Student Health > Immunizations*.
