# Screenings Tool Rights

Last Modified on 07/17/2025 3:00 pm CDT

[Available Tool Rights](#) | [Suggested User Groups](#)

Health Office staff use the **Screenings** tool to record health screening results for a student.

To learn how to use this tool, see the Screenings article.

Student Information > Health > Screenings

This tool displays in both **Student Information > Health** and **Health Office > Student Health.**

Student Health Tool Rights Assignment: When tool rights are assigned to *Student Information > Health > Screenings*, the same tool rights are also assigned to *Health Office > Student Health > Screenings*.

Available Tool Rights

R	W	A	D
View a student's health screening records.	Modify existing screening records.	Add new screening records.	Delete screening records.

Suggested User Groups

- Health Office

See User Groups and Suggested Roles for more information.
