

# MN v3.3 - Student Education Organization Responsibility Associations Resource Preferences

Last Modified on 04/17/2025 2:29 pm CDT

## Object Triggering Logic

This table describes logic for triggering syncing of this object.

Action	Trigger
Post	1. When a Joint Powers state program is created and saved for a student that overlaps the reportable enrollment and config year. 2. If multiple Joint Powers state programs exist that overlap the enrollment, report a record for each.
	Do not send a record if enrollment is in a calendar marked as State Exclude.
	Do not send a record if enrollment is in a School marked as State Exclude.
	Do not send a record if the No Show checkbox is checked on the enrollment.
	Do not send a record if the enrollment is in a grade level marked State Exclude
	Do not send a record if enrollment is marked as State Exclude.
Put	When a student's Joint Powers information changes on any of the following fields: <ul style="list-style-type: none"> <li>Start Date</li> <li>End Date</li> <li>Reporting District</li> <li>Reporting School</li> </ul>
Delete	This record will delete if the student no longer has an eligible enrollment in the District.
Delete	If the enrollment is marked as a no show.
Delete	If the eligible Joint Powers state program record is deleted.
