Object Triggering Logic

This table describes logic for triggering syncing of this object.

Action	Trigger
Post	1. When a Joint Powers state program is created and saved for a student that overlaps the reportable enrollment and config year. 2. If multiple Joint Powers state programs exist that overlap the enrollment, report a record for each.
	Do not send a record if enrollment is in a calendar marked as State Exclude.
	Do not send a record if enrollment is in a School marked as State Exclude.
	Do not send a record if the No Show checkbox is checked on the enrollment.
	Do not send a record if the enrollment is in a grade level marked State Exclude
	Do not send a record if enrollment is marked as State Exclude.
Put	When a student's Joint Powers information changes on any of the following fields: • Start Date • End Date • Reporting District • Reporting School
Delete	This record will delete if the student no longer has an eligible enrollment in the District.
Delete	If the enrollment is marked as a no show.
Delete	If the eligible Joint Powers state program record is deleted.

Object Data Elements

This table describes data elements sent within the Student Education Organization Responsibility Associationa resource. Data Element Labels in **bold** are part of the Natural Key and are required data elements for Data to send to Ed-Fi.

Data Element Label	Business Requirement	Business Rules	M, C or O	Data Source GUI Path
id	The unique identifier of the resource
