

# Special Ed Evaluation Setup Tool Rights

Last Modified on 03/26/2025 11:12 am CDT

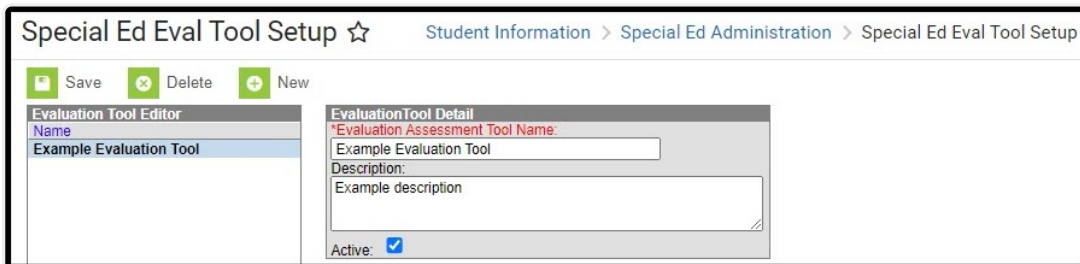

Special Ed Evaluation Setup tools are used at the district level to set up how Special Ed Evaluations behave for team members and students. This article includes the following tools:

- Special Ed Eval Tool Setup
- Special Ed Eval Type Setup
- Special Ed Evaluator Setup

## Special Ed Eval Tool Setup

The **Evaluation Tool Setup** is used to administer evaluations and are assigned in a Notice of Evaluation. This tool may not be available in your state.

See the [Special Ed Eval Tool Setup](#) article for additional information.

*Special Ed Evaluation Tool Setup*

### Best Practice

Evaluation Tools cannot be deleted when they are included in a student's Evaluation. Instead of deleting Evaluation Tools that are no longer needed, remove the Active checkbox. This retains historical information and prevents users from assigning the Evaluation Tool in the future.

# Special Ed Eval Type Setup

Evaluation Types allow districts the ability to specify how special education evaluations are laid out, based on district preference or on state requirements.

See the [Special Ed EvalType Setup](#) article for additional information.

## Special Ed Evaluator Setup

The Evaluators tool lists individuals who can be assigned in an Evaluation. This tool may not be available in your state.

See the [Special Ed Evaluator Setup](#) article for additional information.

*Special Ed Evaluator Setup Tool*

### Best Practice

Evaluators cannot be deleted when they are assigned as an Evaluator in a student's Evaluation. Instead of deleting the Evaluator from the list, remove the Active checkbox. This retains historical information and prevents users from assigning the Evaluator in the future.
