Special Ed Evaluation Setup Tool Rights
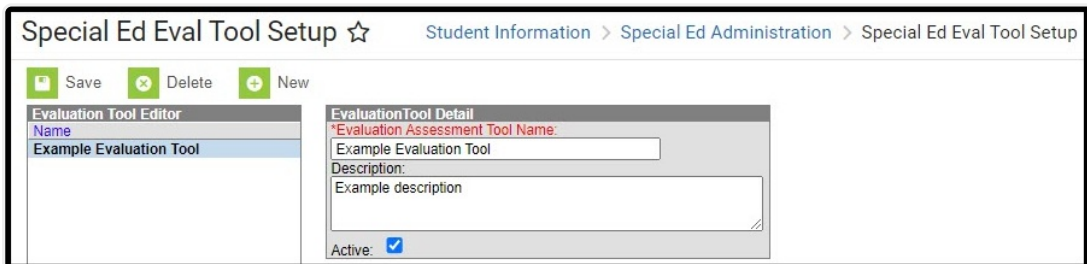

Last Modified on 12/14/2025 8:45 pm CST

Special Ed Evaluation Setup tools are used at the district level to set up how Special Ed Evaluations behave for team members and students. This article includes the following tools:

- Special Ed Eval Tool Setup
- Special Ed Eval Type Setup
- Special Ed Evaluator Setup

Special Ed Eval Tool Setup

The **Evaluation Tool Setup** is used to administer evaluations and are assigned in a Notice of Evaluation. This tool may not be available in your state.

> See the Special Ed Eval Tool Setup article for additional information.

> **Best Practice**
>
> Evaluation Tools cannot be deleted when they are included in a student's Evaluation. Instead of deleting Evaluation Tools that are no longer needed, remove the Active checkbox. This retains historical information and prevents users from assigning the Evaluation Tool in the future.

Available Tool Rights - Special Ed Eval Tool Setup

R	W	A	D
• Access and view the Special Ed Eval Tool Setup tool. • Select and view existing Evaluation Tools.	• Modify and save existing Evaluation Tools.	• Add and save new Evaluation Tool entries.	• Permanently delete the Evaluation Tool. **This is not recommended.**

Special Ed Eval Type Setup

Evaluation Types allow districts the ability to specify how special education evaluations are laid out, based on district preference or on state requirements.

See the Special Ed EvalType Setup article for additional information.

Special Ed Evaluation Type Setup

Best Practice

Evaluation Types cannot be deleted when they are included in a student's Evaluation. Instead

of deleting Evaluation Types that are no longer needed, remove the Active checkbox. This retains historical information and prevents users from assigning the Evaluation Type in the future.
