> This functionality is only available to districts who have purchased Online Payments.

The Payment Methods tool is where you add and delete methods for making payments in Campus. Depending on the payment methods your district accepts, you can pay by credit card, checking account, or savings account.

## Where do I go to add a Payment Method?

The Payment Methods tool is part of My Accounts.

# How do I add a Credit Card/Debit Card?

1. Click **Payment Methods**.
2. Click **New** at the bottom of the screen.
3. Select the **Card** option.
4. Enter all required information.
5. Click **Save**.

> For more details, see the following [Add a Payment Method](#) section.

# How do I add a Bank account?

1. Click **Payment Methods**.
2. Click **New** at the bottom of the screen.
3. Select the **US bank account** option and select one of two options:
   a. **Automatic bank validation**
      1. Search for and select your bank. A secure payment vendor screen will open.

2.  Carefully follow the on-screen prompts to link your bank account to complete the payment process.

3.  During this process, users must add their bank login credentials.
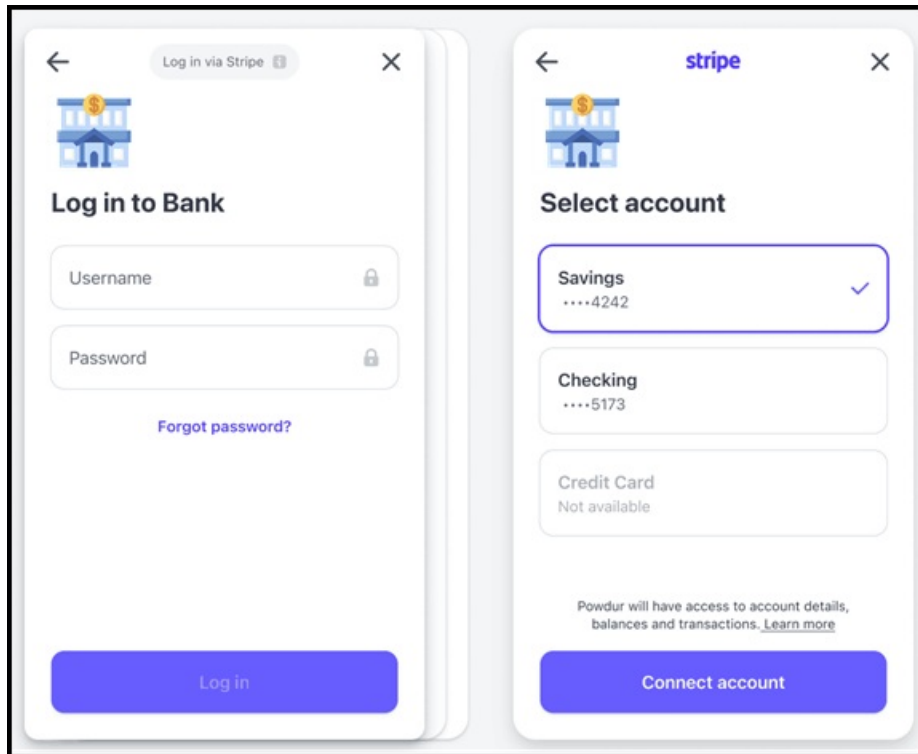

b. **Enter bank details manually**.
   1. Click **Enter bank details manually**.

   2. Enter your routing and account numbers.

**Enter bank details**

Your bank information will be verified via micro-deposits to your checking account.

4. Enter all required information.

5. Click **Save**. This bank account will then be listed as ACTION REQUIRED and cannot be used until the account has been verified.

6. To verify the account, you can find instructions in the email you received, or you can log into your bank account, locate the micro-deposit, and find the 6-digit code in the statement descriptor for that deposit. The account can be verified through the email, or you can return to Campus to verify the account by entering the 6-digit code:

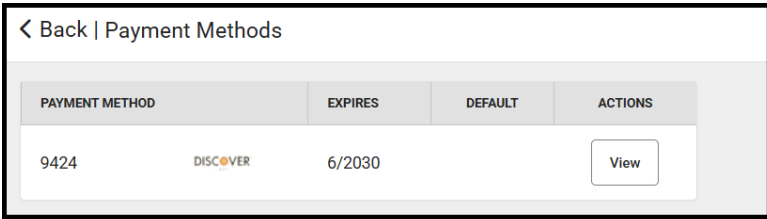

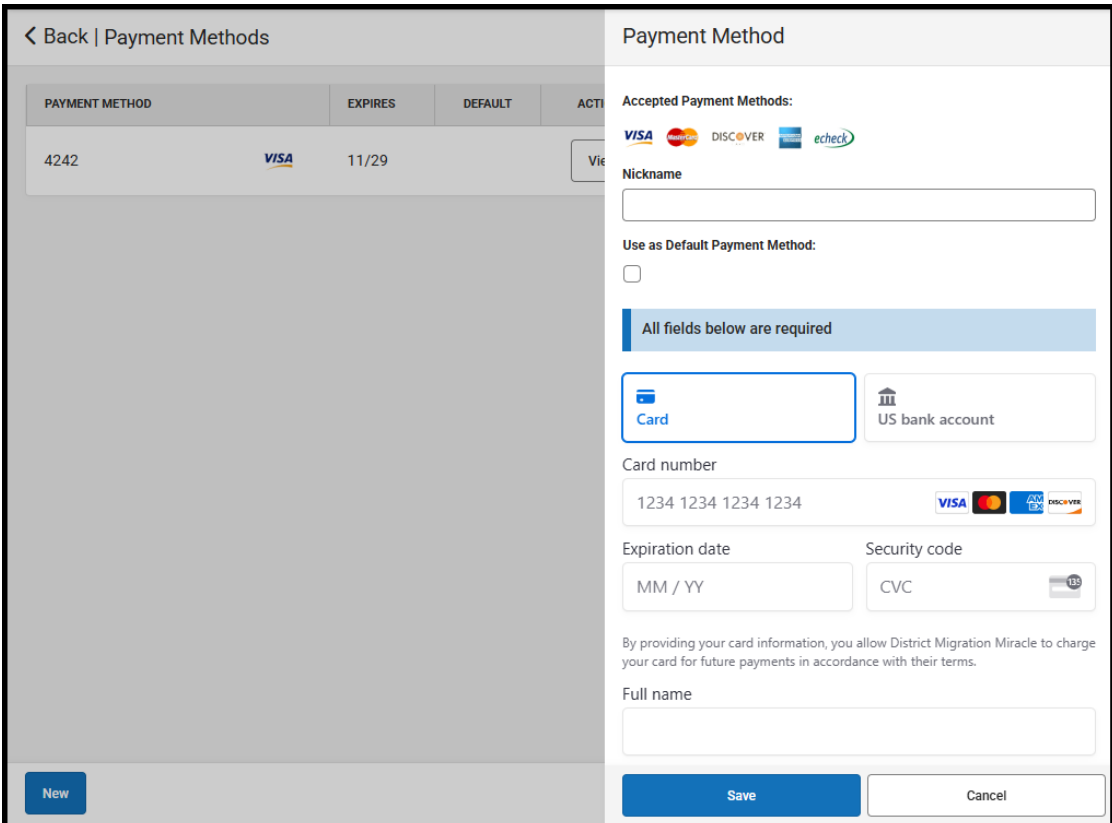

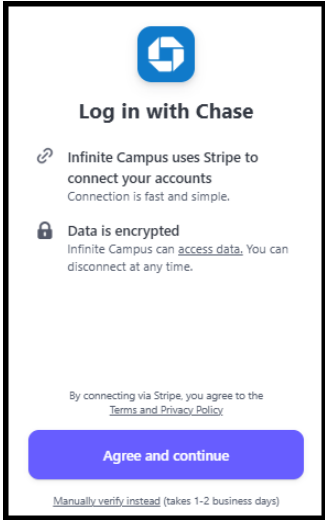

For more details, see the following Add a Payment Method section.
