

English Learners (EL) Accommodation Type Setup Tool Rights

Last Modified on 04/15/2025 8:56 am CDT

Staff use the **English Learners (EL) Accommodation Type Setup** tool to define state and local English Learners Accommodation Types that can then be selected for students who need EL Accommodations. EL Accommodation Types are created at the district level and/or published down from the state.

To learn how to use this tool, see the [EL Accommodation Types](#) article. (This tool is Read Only for Kentucky District Edition Users, as EL Accommodation Types are managed at the state level.)

Description

State and district assessments should be provided in the student's native language.

Student Information > Program Administration > English Learners (EL) Accommodation Type Setup

The EL Accommodation Types editor displays both State and District types. District users are allowed **read only** access to state-defined types.
