

# English Learners Service Type Setup Tool Rights

Last Modified on 04/15/2025 8:57 am CDT

Service Types can be created by the District, or pushed down from the State.

Use of this tool varies by state. For example, Kentucky users can view the tool but Service Types are managed by the State. See the [English Learners Service Type Setup](#) article for more information about how this tool is used.

English Learners (EL) Service Type Setup ☆
