Service Types can be created by the District, or pushed down from the State.

See the [English Learners Service Type Setup article](#) for more information about how this tool is used.

English Learners (EL) Service Type Setup

Student Information > Program Administration > English Learners (EL) Service Type Setup

The screenshot shows the 'English Learners (EL) Service Type Setup' page. At the top, there are 'New' and 'Save' buttons. Below is a table titled 'EL Service Types' with columns: 'Owner', 'Name', 'Code', 'State Code', and 'Active'. The table lists various service types, including 'EL State Reported Service' (LEPPI) which is selected and highlighted in blue. The 'Active' column for LEPPI shows an 'X'. The 'EL Service Types Detail' section on the right shows the selected service type: 'LEPPI' (Code), 'Inactive' (Status), 'Name: LEP Placement', 'Type: Entrance', and 'Description: Program Entrance - Test Administration.'
