

Academic and Graduation Programs: Getting Started

Last Modified on 12/14/2025 8:45 pm CST

Tool Search: Academic and Graduation Programs

The Academic and Graduation Programs tool contains the Academic and Graduation Programs that can be assigned to students in a district.

- **Academic Programs** define requirements for completion of the selected Academic program, including specific course requirements and any assessments/certificates needed for program completion.
- **Graduation Programs** are used to show a student's progress toward graduation based on the requirements entered for the program.

See the [Academic and Graduation Programs \(State Edition\)](#) article if you are a State Edition user (currently North Carolina only).

Academic and Graduation Programs ★

Program Administration: Academic and Graduation Programs Main Screen

From this screen, users may:

- Toggle between Academic and Graduation Programs
- Filter the list of listed programs
- Create new programs to assign to students.

Course Setup Considerations

In order for the status of future planned courses in a Course Plan to display correctly when reviewing student Progress, the Course Information Term field must be populated.

Setup

Course Information - populate Terms field with the number of terms the course meets
