

Academic and Graduation Programs: Getting Started

Last Modified on 07/21/2025 12:35 pm CDT

Tool Search: Academic and Graduation Programs

The Academic and Graduation Programs tool lists all Academic and Graduation Programs for the selected student. From this screen, users may toggle between Academic and Graduation Programs, filter the list of listed programs, and create new program assignments for the student.

In the Campus.2523 Release (June 2025), the **Academic Programs** and **Graduation Programs** tools were combined into a new interface called **Academic and Graduation Programs**. Districts using versions older than Campus.2523 can still utilize the articles in the <u>Academic Programs Setup</u> and <u>Graduation Program Setup</u> categories.
