Tool Search: Academic and Graduation Programs

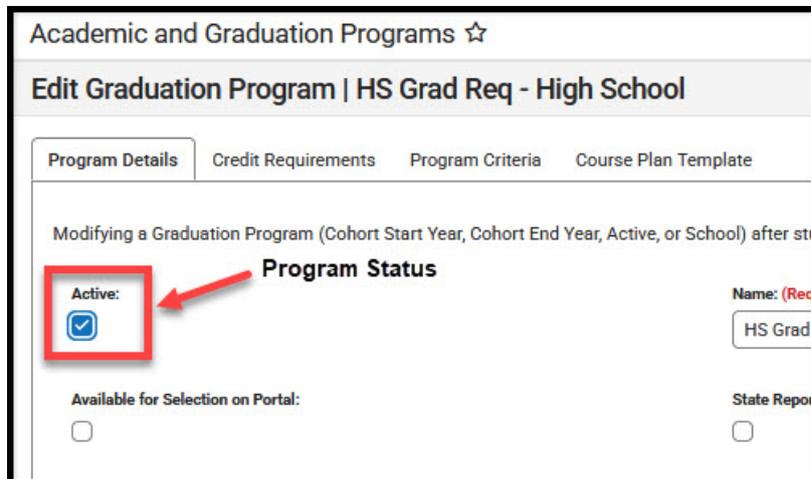

The status (Active or Inactive) of a Graduation Program displays next to its name in the Programs list.

1. To activate/deactivate an academic program, be sure **Graduation** is toggled ON in the upper-right corner of the main Academic and Graduation Programs screen.

2. Next, click on the status button to the right of the program (Active or Inactive).
3. Once the appropriate program is selected, the Program Details screen displays.

4. Use the **Active** checkbox to activate or deactivate the program. If checked, the program is active. If unchecked, the program is inactive.
  5. Once finished, press **Save & Close** to return to the Programs list. The program's new status displays next to its name.
