The **Portal Home Screen** tool allows districts to add a message that displays for all Campus Student and Campus Parent users.

See the [Portal Home Screen](#) article for details on available Portal Display Options.

Suggested User Groups

Typically, users of these tools have already been assigned one or more Product Security Roles that grant administrative-level access; therefore, a user group assignment is not necessary.

If your district's needs are different, you may choose to create a group that meets those needs.

See [User Groups and Suggested Roles](#) for more information.
