

Session Rosters

Last Modified on 03/25/2026 1:29 pm CDT

Tool Search: Dependent Care

Viewing a Session

Once the appropriate timeframe is selected, a user may select a specific session for which to view information. Each session lists the start and end dates for session registration, the start and end dates for the session, and a quick reference to registration status.

The session also displays the number of students approved for care, the number of students pending approval, and the number of sites at which the session is offered.

Session Statuses

Session Status	Definition
Registration Open <i>Displays in green</i>	The session has not started; session enrollment is open. These registrations appear in the Current timeframe.
Registration Closed <i>Displays in black</i>	The session has not yet started; session enrollment is no longer open. These registrations appear in the Current timeframe.
Active - Registration Open <i>Displays in green</i>	The session has started; session enrollment is closed. These registrations appear in the Current timeframe.
Active - Registration Closed <i>Displays in blue</i>	The session has started; session enrollment remains open. These registrations appear in the Current timeframe.
Complete <i>Displays in black</i>	The last day of the session has passed. Both enrollment and the session are closed. These registrations appear in the Previous timeframe.
Ready <i>Displays in black</i>	The start date for registration is after the system date; enrollment is not yet open. These registrations appear in the Upcoming timeframe.
Draft <i>Displays in black</i>	Session setup is not complete; enrollment is not open. These registrations appear in the Draft timeframe.

Session Rosters

The Roster button allows users to view all students registered for the session. Users are able to: add pending registrations to sessions, view/edit dependent details, registration status, and form status.

Dependent Care Session Roster

1. Use the **Select Site** drop-list to select the site for which to view the roster.
 1. To view session roster information for all sites in the session, do not make a selection.

NOTE: Selecting a site allows users to view more roster details, such as a dependent's scheduled attendance days, the number of students approved for attendance each day of the session, and the ability to add students to the session schedule.

Using Session Roster Filters

Users can further filter the roster view through filters.

Select Site: Hide Filters Reset

Filter by Student:

Filter by Grade:

Filter by Required Form Status:

Filter by Submitted By:

Filter by Registration Date:

Filter by Registration Status:

Apply Filters

1. Users may filter the roster by: Student Name, Grade, Required Form Status, by whom the request was Submitted, the session Registration Date, and the Registration Status.
2. Users may apply as many or as few filters as desired. Once the desired filters are selected, press **Apply Filters**. Any registrations matching the entered filters display.
 - o To clear the filter(s), press **Reset**. All students again display.

Filter Fields

Field	Description								
Filter by Student	To Filter by Student , enter the name of the student(s) for which you are searching. Enter as much information as desired. All students matching the entered information display.								
Filter by Grade	To Filter by Grade , enter the grade(s) for which you are searching.

Show/Hide Filters	Press Show Filters to view the available filtering options. Press Hide Filters to hide filter options.								
Reset	Press Reset to remove any applied filters.								

NOTE: Roster views are read-only for students approved for a session's dependent care. For students whose registration is pending, roster information may still be edited.

Viewing Dependent Details

Users may use this screen to view details for the dependent such as session forms, charges and discounts, dependent care schedules, and emergency contact information. This is a read-only screen for students with an approved registration. Users may edit some fields if the student's registration is pending.

Dependent Care Registered Dependent Details

Editing Dependent Details for Pending Registrations

If a student's Registration status is still Pending, users may make changes to the student's details. Once the request is approved, users are no longer allowed to make changes.

1. Press **Details** for the student for whom you'd like to make changes. Details for the student are displayed.

The screenshot shows the 'Dependent Care Dashboard' for user 'Allen, Joel' at '25-26 Kids Club'. The dashboard is divided into several sections:

- Forms:** A section for reviewing and approving parent-filled forms.
- Charges & Discounts:** Includes a 'Registration Charge (Required)' dropdown, a 'Discount' dropdown, and an 'Apply Discount to Drop Ins' checkbox. There is also an 'Additional Discount' button.
- Schedule:** Shows site information (Carter Middle), attendance dates (08/25/2025 to 05/21/2026), and a section for 'Minimum 2 Days per Week' with checkboxes for 'Before School' and 'After School' days (Monday through Friday).
- Emergency Contacts / Authorized Pick Ups:** A table listing family members with their names, phone numbers, and checkboxes for 'Authorized Pick Up Person'.

At the bottom of the dashboard, there are buttons for 'Approve Application', 'Cancel', and 'Remove Request'.

Student Forms

In the Forms section, user can review and approve any required forms parents have filled out in relation to the session for which they're registering. Forms are added when the session is created. See the [Adding Portal Information to a New Session](#) article for more information.

The screenshot shows a 'Forms' section with a 'Required Forms' list. One form, 'Session Waiver', is highlighted with a yellow border and labeled 'AWAITING REVIEW'.

1. To review a form, click on the appropriate form. The selected form displays for the user to review.
2. Press **Form Complete** to approve the form. The status of the form changes from Awaiting Review to **Complete**.
3. Use the **Print** button to print out the form.
4. Press **Cancel** to exit without approving the form.

Charges & Discounts

This section allows the user to apply a registration fee to the account. Users may also enter any desired discounts to the account. Charges and Discounts are setup when the session is created. See the [Adding Charges and Discounts to a New Session](#) article for more information.

The screenshot shows a web form titled "Charges & Discounts". At the top left is the Infinite Campus logo. The form has a title bar with a close button. Below the title bar, there are two dropdown menus: "Registration Charge (Required)" and "Discount". To the right of the "Discount" dropdown is a red "X" button and a checkbox labeled "Apply Discount to Drop Ins". At the bottom of the form is a blue button labeled "Additional Discount".

1. Use the **Registration Charge** drop-list to select the registration fee to apply to the student.
2. To apply a discount to the account, use the **Discount** drop-list to select the appropriate discount.
 1. To apply this discount to the student's drop-in care as well, mark the **Apply Discount to Drop Ins** checkbox.
 2. Users may add as many additional discounts, as desired, to the student by pressing the **Additional Discount** button.
 3. To remove a discount from the student account, simply press the red **X** button for the appropriate discount.

Schedule

The Schedule section allows users to view the student's desired site for care and dates of attendance. Users can also view and edit the desired attendance schedule.

Save
Cancel

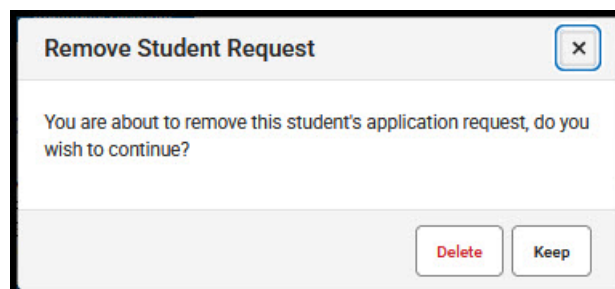

1. To edit the student's schedule, press **Edit**. The Edit Schedule screen displays in the right screen.
2. Use the Site drop-list to change the selected site of attendance. Do not change this setting if the appropriate site is selected.
3. If necessary, use the **First** and **Last Attendance Date** fields to alter the dates of attendance.
4. The Section area is used to edit the student's days of attendance.
 1. Each section for the session at the selected site and student's days of attendance are displayed.
 2. Chose the section for which you want to make changes and mark the **Select this Section** checkbox. If this box is not marked, you may not make changes to the student's days of attendance.
 3. Mark/Unmark the appropriate days of attendance for the student.
5. When finished, press **Save** to save the changes to the student's schedule or press **Cancel** to exit without saving the changes.

Emergency Contacts/Authorized Pick Ups

Use the Emergency Contacts/Authorized Pick Ups section to review emergency contacts, edit authorized pick up status, or add any additional emergency contacts.

1. Any **Emergency Contacts** submitted with the registration may not be edited or removed. You can, however, update their Authorized Pick Up status by marking, or unmarking, the **Authorized Pick Up Person** checkbox.
2. To add additional emergency contacts, press **Add**.
 1. Use the **Name** field to enter the name of the emergency contact.
 2. In the **Phone** field, enter the person's phone number.
 3. If this contact is approved for student pickup from dependent care, mark the **Authorized Pick Up Person** checkbox.
3. To remove a contact, find their name in the list and press **Remove**. The person is removed from the list.
4. When finished, press **Save** to save the changes or **Cancel** to exit without saving the changes.
5. After reviewing the forms and application information, you can press **Approve Application** to complete the student's registration for the session. Once approved, the student's Registration Status changes from Pending to **Approved**.
6. To exit without approving the application, press **Cancel**. All changes made to the Student Details are saved, but the registration status remains as **Pending**.
7. To remove the application request, press **Remove Request**.

1. At the prompt, confirm you want to remove the request and press **Delete**. Press **Keep** to cancel removal of the request. If the request is removed, the student is removed from the session roster.

Reviewing Registration Requests

Registrations are approved or denied through a session's roster. For more information on processing registration requests, see the [Reviewing Registration Requests](#) article.
