## [Add Section Student Detail Records](#)

Tool Search: Section Student Detail

The Section Student Detail tool allows districts to collect section data unrelated to scheduling on a student-by-student basis.

Overlapping records are not allowed. A message displays when the selected students have existing records that cannot be modified.

See the core [Section Student Detail](#) article for additional information.

Add Section Student Detail Record

1. Select the **New** button. The Section Student Detail side panel displays.
2. Select a student from the **Student(s)** field. Multiple students may be selected.  
**Note:** Overlapping records are not allowed. Records currently existing for the selected student that have no End Date and a Start Date that is before the new Start date are auto-ended.
3. Enter the appropriate data for the selected student. At least one state reporting field must be populated to save the record.
4. Click **Save**.

**Note:** The Batch Fill option can be used to add a record for ALL students in the section who do not already have a record.
