

Review Data Certification Event Status and Details (State Edition)

Last Modified on 08/28/2025 11:35 am CDT

Tool Search: Event Management

Data Certification tools are only available in State Editions of Campus that have purchased the [Campus Data Suite](#).

Prerequisites

- To review school and district event statuses, the event must be [published to the districts/schools](#) and the certification window must be open or was open prior to the current date.

Users must have at least Read tool rights to the Event Management tool in order to review event details.

Reviewing Event Statuses and Details

Click the **View** button within the Event Management tool to review the status and details of any data certification events.
