

Course Status Tool Rights

Last Modified on 12/14/2025 8:45 pm CST

The Course Status tool lists all of the courses associated with a course master in the selected School Year. This tool allows users to:

- See the status of grading setup for each course in relation to the course master.
- Relink courses to the course master to reestablish grading setup control at the master level.

See the [Course Status](#) article to learn how to use this tool.
