

Behavior Management Tool Rights

Last Modified on 12/05/2025 11:18 am CST

Individuals responsible for recording behavior incident data use the **Behavior Management** tool to enter new behavior events and enter information to existing incidents.

See the [Behavior Management Tool](#) article to learn how to use this tool. Note that the [Behavior Preferences](#) your district selects impact how Events, Referrals, and the overall processing of behavior records are handled in this tool.
