

Behavior Messenger Scheduler Tool Rights

Last Modified on 07/16/2025 10:05 am CDT

The **Behavior Messenger Scheduler** allows you to set up times to automatically send Behavior messages. Before you can use this tool, you must create templates using the [Behavior Messenger](#). All behavior templates appear in the Behavior Messenger Scheduling list.

See the [Behavior Messenger Scheduler](#) article to learn how to use this tool.

Behavior Messenger Scheduler

It is recommended that tool rights also be assigned to the Behavior Letter Wizard and the

Behavior Messenger tools.

The **Behavior Letter Wizard**: Used to create, manage, and generate letters based on a template.

The **Behavior Messenger**: Used to view, manage, and add message templates, as well as send behavior messages.

Available Tool Rights

R	W	A	D
View existing messages scheduled by the user or from a group they belong to.	Modify message scheduling.	Add new schedule for message delivery.	Delete schedule for message delivery.
