

## Mailgun Message Log Tool Rights

Last Modified on 12/14/2025 8:45 pm CST

The Mailgun Message Log in the Messenger module displays the delivery status of messages the logged-in user has sent through the Mailgun API. Mailgun Message Log is only available for users with Mailgun functionality enabled in their district.

See the <u>Mailgun Message Log</u> article to learn more about this tool. See the <u>Email Settings</u> article to learn about setting up Mailgun in Campus.

## Related Tools:

- Mailgun Message Log: Status of messages sent by the user (current or selected day/days) through the Mailgun API.
- Admin Mailgun Message Log: Status of messages sent by all users through the Mailgun API.
- <u>Sent Message Log</u>: Details for messages the user has sent via Campus Messenger.
- <u>Sent Message Log (Messenger Administration)</u>: Details for messages sent by all users via Campus Messenger.
