

## **Messenger 2.0 Tool Rights**

Last Modified on 12/10/2025 1:47 pm CST

Staff can use Messenger 2.0 to send messages to students, parents, and staff. This tool combines several of the tools that exist in Messenger 1.0, and gives the added capability of sending messages from mobile devices.

See the Messenger 2.0 article to learn how to use this tool.

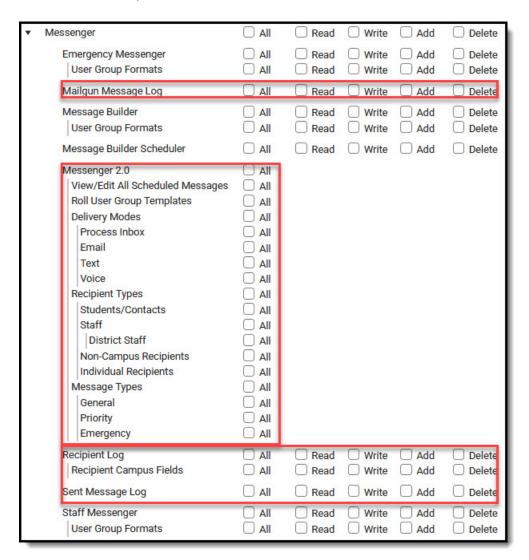

## **Available Tool Rights**

Messenger 2.0 tool rights are "on/off" rights. Select All for any Messenger 2.0 feature you want to give users access to. See the <u>Messenger Logs</u> article to learn more about those tool rights.

## **Suggested User Groups**

Following are examples of groups that may need access to some or all of these tools.

- <u>Counselors</u>
- Front Office
- Health Office Administrators
- Messenger User Group
- <u>Principals</u>
- Registrars

See <u>User Groups and Suggested Roles</u> for more information.
