

Response Extract Tool Rights

Last Modified on 07/14/2025 1:07 pm CDT

The **Response Extract** allows the review of all responses submitted for a survey. Submissions can be printed, filtered, saved, and displayed in a pivot table for further analysis.

See the [Response Extract \(Surveys\)](#) article to learn how to use this tool.

Response Extract

This extract will generate user responses reports to the selected survey. The lock icon indicates that the survey has at least one response and can no longer be edited in the Survey Creator.

Suggested User Groups

Districts that choose to use the Survey tools have different approaches to how the tools are to be used and who is to use them (e.g. teachers, counselors, principals, district office staff). Districts can create and assign user groups according to their needs.
