

# Health Office Visit Cancellations Tool Rights

Last Modified on 12/14/2025 8:45 pm CST

The **Health Office Visits Cancellations** tool is used to batch cancel all previously scheduled Health Office Visits for a date or date range when there has been a cancellation of School Days. Only scheduled visits that have not been saved will be deleted. No Show and walk-in visits won't be deleted.

See the [Health Office Visit Cancellations](#) article to learn how to use this tool.

Health Office > Health Management > Health Office Visit Cancellations

Health Office Visit Cancellation

This tool should be used to mass-cancel all previously scheduled Health Office Visits for a date or range of dates when there has been a cancellation of School Days. Walk-in visits and saved scheduled visits will not be modified by the use of this tool. Select a date range and the calendars that should have visits removed.
