

Academic and Graduation Programs Tool Rights

Last Modified on 12/22/2025 1:40 pm CST

The **Academic and Graduation Programs** tool is used to create and manage Academic Programs (defining a course of study) and Graduation Programs (defining graduation requirements) that are assigned to students in a school district.

See the articles in the [Academic and Graduation Programs](#) category to learn how to use this tool.

The screenshot displays the 'Academic and Graduation Programs' tool interface. At the top, there is a navigation bar with 'Student Information', 'Program Administration', and 'Academic and Graduation Programs'. Below this, a 'Filter' button and tabs for 'Graduation' and 'Academic' are visible. The 'Academic Programs' section shows 'Showing 6 out of 6 Programs'. A list of programs is displayed, with 'Auto Mechanics | CTE | High School Credit | CTE' highlighted and marked as 'ACTIVE'. A modal window titled 'Edit Academic Program' is open, showing the details for 'Auto Mechanics - CTE - High School Credit - CTE'. The modal has tabs for 'Program Details', 'Program Criteria', 'Certification Criteria', and 'Course Plan Template'. The 'Program Details' tab is active, showing fields for 'Name: (Required)' (Auto Mechanics), 'Category: (Required)' (CTE), 'Credit Group: (Required)' (High School Credit), and 'Program Type: (Required)' (CTE). There are also checkboxes for 'Active' (checked), 'State Managed' (No), 'State Reported' (unchecked), and 'Include in Automatic Assignment' (unchecked). A 'Cluster' dropdown menu is also present. At the bottom of the modal, there are buttons for 'Save & Stay', 'Delete', 'Copy', and 'Cancel'. The text 'Academic Program' is displayed at the bottom of the modal.
