

Rx Pack - Campus.2531

Last Modified on 08/18/2025 11:30 am CDT

The following corrections are included in Rx Packs for July and August 2025. Rx Packs contain a small number of critical cases to fix urgent issues, with delivery in an immediate time frame (e.g., the fix cannot wait for the next four-week Release Pack).

It is recommended that customers apply all subsequent Release Packs immediately following Rx Packs. Doing so will benefit both customers and Infinite Campus when it comes to supporting the patch.

Rx Packs are cumulative; each Rx pack will automatically include all previous Rx packs within that release. These cases will also be included in the Campus.2535 pack unless otherwise noted. Rx Packs may occasionally skip a release number for Rx builds that were not made generally available.

Below is a list of all Rx Packs for Campus.2531 and the date of availability:

- Rx Pack Campus.2531.10 - Monday, August 18, 2025
- Rx Pack Campus.2531.9 - Friday, August 15, 2025
- Rx Pack Campus.2531.8 - Wednesday, August 13, 2025
- Rx Pack Campus.2531.7 - Friday, August 8, 2025
- Rx Pack Campus.2531.6 - Wednesday, August 6, 2025
- Rx Pack Campus.2531.3 - Wednesday, July 30, 2025
- Rx Pack Campus.2531.2 - Monday, July 28, 2025 - no release for 2531.1

See the [Release Pack Campus.2531 - July 2025](#) article for a full list of cases included in the Campus.2531 release.
