

FRAM Reports Tool Rights

Last Modified on 12/14/2025 8:45 pm CST

Staff use FRAM Reports to:

- Generate letters to send to households at various points in the FRAM application process
- Report on eligibility status
- Report on household applications
- Generate lunch counts
- Identify students for whom the district has been given permission to share eligibility information

See the articles in the [FRAM Reports](#) category to learn more about how and when these reports are used.

Eligibility Report

The **Eligibility Report** returns the number of Free, Reduced, and Paid eligibility records based on the criteria entered when the report is generated.

► [Click here to expand...](#)

Eligibility Report ☆
FRAM > Reports > Eligibility Report

Instructions

The Eligibility Report will display free, reduced and paid eligibility information by student based on date and type selected.

If **Eligibility Certified Types** were selected, a summary of Free, Reduced and Paid eligibility records per Certified Type will report in the Summary For Eligibility Type section.

If the **Include Student Detail** checkbox is marked, the Eligibility Report Detail section will be included in the report, detailing eligibility record information for each reported student.

Permission Report

This report is used to list all students for whom the district has been given permission to share eligibility information based on the criteria selected.

► [Click here to expand...](#)

Permission Report ☆
FRAM > Reports > Permission Report

The Permission to Share Report lists all students who permit their district to share free/reduced eligibility information with district staff based on the criteria selected. The Permission Type is indicated in the report header. This report can be dispersed to staff involved with this permission type. The report details the School Year, Student Name, Eligibility Type, Eligibility, Certified Type, School of eligibility and eligibility Start and End Dates.
