FRAM Reports Tool Rights

Last Modified on 08/01/2025 9:20 am CDT
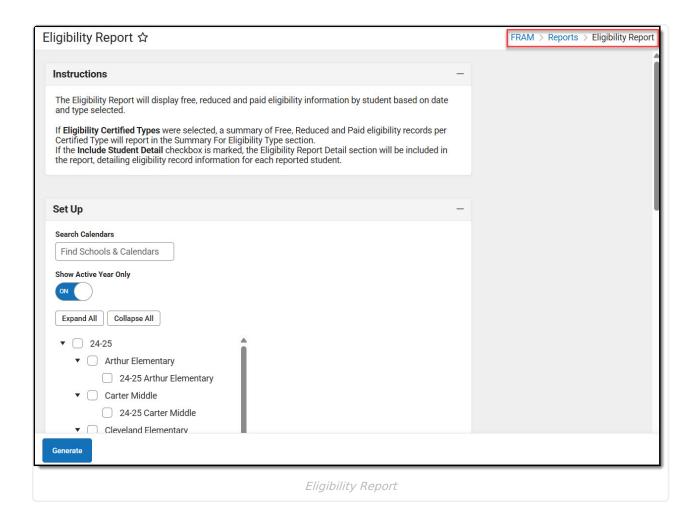

Staff use FRAM Reports to:

- Generate letters to send to households at various points in the FRAM application process
- Report on eligibility status
- Report on household applications
- Generate lunch counts
- Identify students for whom the district has been given permission to share eligibility information

See the articles in the FRAM Reports category to learn more about how and when these reports are used.

Eligibility Report

The **Eligibility Report** returns the number of Free, Reduced, and Paid eligibility records based on the criteria entered when the report is generated.
