

Application Processing Tool Rights

Last Modified on 12/10/2025 9:54 am CST

Districts use the Application Processing Tools to help determine, verify, and track student eligibility to receive free or reduced cost benefits. Staff responsible for processing applications and managing eligibility information need access to these tools.

To learn how to use these tools, see the articles found in the [FRAM Application Processing](#) category.

Eligibility

The Eligibility tool displays a student's eligibility for free or reduced-price benefits. New eligibility records can be entered using this tool.

Documents

Eligibility

Household Applications

The Household Applications tool is used to enter information from paper applications into Campus. These applications are then processed to determine whether or not a household is eligible to receive benefits.

Household Applications

Online Applications

Districts can choose to set up Online Meal Benefit Applications that are then processed in Campus. The Online Applications tool lets staff process Pending applications and review Processed applications.
