

Lockers - Locker Reports Tool Rights

Last Modified on 12/23/2025 3:23 pm CST

Staff responsible for managing lockers and locker assignments can use these reports to verify student locker assignments and identify which lockers are unassigned.

See the [Students Without Lockers Report](#), [Vacant Locker Report](#), and [Locker Assignments Report](#) articles to learn more about running these reports.

Students Without Lockers Report

This report is used to identify which students have not been assigned a locker based on selected criteria.
