Academic Planning

GPA Calculation Type Selection Issue (SIS-189952)

An issue was found where selecting Unweighted GPA for the calculation type of a GPA requirement

in an academic plan would revert to Weighted GPA after saving.

This has been fixed so users can add a GPA Requirement to an academic plan using the Unweighted GPA Calculation Type and/or update a current GPA Calculation Type on a plan to Unweighted GPA.

Path: Student Information > Program Administration > Academic and Graduation Programs

Activity Registration

Activity Registration Restrict to Associated Enrollments (SIS-190308)

Resolved an issue where siblings without enrollments in the selected school could not register for activities when the 'Restrict to Associated Enrollments' checkbox was unchecked

Path: Student Information > Activity Registration > Activity Monitor

Activity Registration & School Store Maintenance (SIS-190623)

The following updates have been made to the Activity Registration and School Store tools:

- Added improved loading and streamlined student search to Activity Roster.
- Resolved an issue where a modal did not inform users when they had not reached the minimum dollar amount required to proceed to checkout.

Path: N/A

Activity Roster Receipt Information (SIS-191192)

Restored information on Activity Roster receipts, including Store Item Name, Student Name, Quantity, Amount, and Activity Dates.

Path: Student Information > Activity Registration > Activity Monitor

Ad hoc Reporting

SFTP Transfer Network Improvements (SIS-188393)

The SFTP transfer tolerance for slow server connections was improved, and adjustments were made to decrease failures during nightly transfers, especially with high-load servers.

Path: N/A

Assessment

Tool Rights Updated (SIS-189927) **[Enhancement]**

The tool rights logic was updated for access to the Assessment Center (https://kb.infinitecampus.com/help/assessment-center-tool-rights). Changes include:

- READ
  - View Step 1 only.
- READ/WRITE
  - View Steps 1-5.
  - Access 'Import' under Update Options on Steps 4-5.
- READ/WRITE/ADD/DELETE
  - Full access to Steps 1-5, including 'Replace' test under Update Options on Steps 4-5.

Path: Student Information > Assessment Administration > Assessment Center

Test Score Query Performance Updated in State Edition (SIS-190529)

Queries were updated in the State Edition to ensure consistent and timely return of data when Test Score data syncs from the District Edition to the State Edition.

Path: N/A

Persistent Toast Message (SIS-190924)

The persistent "Save & Batch Test was run and completed" toast message that displayed on steps 4 and 5 of the Assessment Center (https://kb.infinitecampus.com/help/assessment-center) after making changes on step 1 was removed. Logic was updated to ensure the message only appears when appropriate.

Path: Student Information > Assessment Administration > Assessment Center

National Code Clearing Issue (SIS-190932)

When a user selected a code from the National Code dropdown field on Test Detail (https://kb.infinitecampus.com/help/assessment-center-test-detail) and then changed the code to blank, the previously selected code remained selected. This issue has been corrected.

Path: Student Information > Assessment Administration > Assessment Center

Hierarchical Test Navigation (SIS-190956)

Test navigation history discrepancies when saving with validation errors in the Assessment Center (https://kb.infinitecampus.com/help/assessment-center) were corrected. Users are directed back to the previous level in the test hierarchy when they select Cancel while on a child/grandchild test.

Path: Student Information > Assessment Administration > Assessment Center

Question Mark in Test Name Impacts Data Mapping (SIS-190995)

Users encountered issues with mapping data in the Assessment Center (https://kb.infinitecampus.com/help/assessment-score-data-import) when using a question mark in test names. This issue has been resolved. Users can successfully apply date formats to all tests, including those with a question mark in their names, and proceed to map data.

Path: Student Information > Assessment Administration > Assessment Center

Attendance

Sub Attendance Roster Report Rendering Error (SIS-190826)

An issue where the Sub Attendance Roster Report (https://kb.infinitecampus.com/help/sub-attendance-roster) failed to render for requests exceeding approximately 6MB in size has been resolved.

Path: Attendance Office > Reports > Sub Attendance Roster Report

Attendance Food Service Report Rendering Error (SIS-190827)

An issue where the food service report (https://kb.infinitecampus.com/help/lunch-count-report-doc) failed to render when requests exceeded approximately 6MB in size has been resolved.

Path: Attendance > Reports > Lunch Count

Behavior

Behavior Attendance Audit Report Fix (SIS-190828)

An issue was fixed when attempting to generate the Behavior Attendance Audit Report (https://kb.infinitecampus.com/help/behavior-attendance-audit-report) when the input size was greater than 6 MB.

Path: Behavior Office > Reports > Behavior Attendance Audit Report

Behavior Event Report Fix (SIS-190830)

An issue was fixed when attempting to generate the Behavior Event Report (https://kb.infinitecampus.com/help/behavior-event-report) when the input size was greater than 6 MB.

Path: Behavior Office > Reports > Event Report

Business Office Integration

Business Office Integration (SIS-190491) **[Enhancement]**

Added Business Office Integration tools that enable HR systems to transfer and send their staff member data to Infinite Campus.

Path: System Settings > Business Office Integration

Campus Instruction

Auto-Post Grades for End-Dated Students (SIS-162319) **[Enhancement]**

The posting grades process in various Instruction tools has been updated to auto-post grades for students whose Roster End Date is on or after the last day of the term. The workflow for posting grades for students with End Dates has been improved by adding clarifying messages to inform teachers which students will receive posted grades and why.

Path: for example: Instruction > Grades > Grade Book > Post

Campus Learning

Submit as a Student - Quizzes (SIS-190208) **[Enhancement]**

The option to submit work on behalf of a student has been extended to include quizzes (https://kb.infinitecampus.com/help/score-quizzes). For example, a teacher could print out a quiz for a student who needs a paper copy and then enter the student's answers on their behalf.

To submit a quiz for a student, use the **View as student** dropdown list at the top right of the screen to select a student. Then click **Start Quiz** and enter the student's answers. The teacher's name is associated with the work they submit for a student. Note: teachers cannot submit a quiz for a student if the student has started the quiz online already.

Path: Instruction > Curriculum > Curriculum List > select a quiz assignment > View as student > select student > Start Quiz

Quiz Feedback Button (SIS-190295) **[Enhancement]**

A Feedback button has been added to various areas of quizzes (https://kb.infinitecampus.com/help/quizzes). This button links to a forum post where users can provide feedback about quizzes, including recent improvements.

Path: Instruction > Curriculum > Curriculum List > click a quiz assignment > View Quiz

Scores in the Grade Book (SIS-190800)

As a result of a recent change, the Grade Book (https://kb.infinitecampus.com/help/scoring-assignments-in-the-grade-book) no longer updated when a score was entered on a Scoring Rubric or the submission scoring screen. This has been corrected.

Path: Instruction > Grades > Grade Book

Error Opening Standards Portfolio (SIS-191274)

Previously, users encountered an error when attempting to access to the Standards Portfolio (https://kb.infinitecampus.com/help/standards-portfolio-progress-monitor) from Progress Monitor and Student Information. This has been corrected.

Path: Instruction > Grades > Progress Monitor > Standards Portfolio

Curriculum Library - Single Items (SIS-191325) **[Enhancement]**

The Curriculum Library (https://kb.infinitecampus.com/help/curriculum-library-start-here) has been updated to allow users to add single items, such as an assignment or resource, to the Library. Previously, only entire folders of curriculum could be added. If viewing the library with Resources rather than Folders selected in the Content section, new Included Tasks filters allow users filter by items with quizzes, submissions, discussions, or LTI linked content. Assignments with Engagement Check-Ins and those received via a OneRoster integration cannot be shared to the library.

Path: Instruction > Curriculum Planning > Curriculum Library

Campus Student/Parent

Campus Student/Parent - Translations in Tuition (SIS-190969)

The Translation Setup (https://kb.infinitecampus.com/help/translation-setup) tool has been updated so that users can enter translations for screens in the new Tuition tool.

Path: System Settings > Portal Preferences > Translation Setup

Classroom Integrations

Digital Learning Applications - Status Icons (SIS-178021) **[Enhancement]**

New icons have been added to applications in the Digital Learning Applications Configuration (https://kb.infinitecampus.com/help/learning-interoperability) tool to indicate applications that are fully supported or at risk. Alerts can also be added by Campus to applications if additional information is needed.

Path: Instruction > Settings > Digital Learning Applications Configuration

Cross-Site Enrollment

Cross-Site Enrollment Attendance - Marked Present at Serving School (SIS-188118)

Students who were marked present by a teacher at the Serving School were receiving Present

Attendance (https://kb.infinitecampus.com/help/attendance-information-for-cross-site-students) records that transferred to the Home School. This has been corrected.

Path: Student Information > General > Attendance

Cross-Site Enrollment - Max Students on Section Information (SIS-190334)

When a section is marked and mapped to a Cross-Site Enabled course, the Max Student field could not be modified without first disabling the Cross-Site Enabled course. This has been corrected to allow the Max Students field to be edited on a Cross-Site Enabled course.

Path: Scheduling & Courses > Courses > Course Information

Custom

Custom Tools Publisher Updated to Current UI Standards (SIS-190381) **[Enhancement]**

The look and feel of Custom Tools Publisher (https://kb.infinitecampus.com/help/publish-custom-tool) has been updated to meet current UI standards. All existing functionality remains intact.

> Note: The Custom Tab Publishing tool in Classic Campus is now the Custom Tools Publisher in the New Look.

Path: System Settings > Custom Data and Links > Custom Tools Publisher

Custom Tool Setup - Tool Placement Changes (SIS-190783) **[Enhancement]**

Custom Tool Setup (https://kb.infinitecampus.com/help/custom-tool-setup-custom-tool-setup) has been updated to no longer include New Look as a tool placement option. The ‘Classic Look Menu Placement’ label has been replaced with ‘Menu Placements’, and users can no longer assign a tool to a Classic Campus location.

Note: In order to place a custom tool in the UI, users must have proper tool rights for the Custom Tool Placement Editor.
