For more information about Tool Rights and how they function, see the [Tool Rights](#) article.

Use the [Federal/State Program Updater](#) to import Gifted records to this tool.

## Add/Modify/View Gifted Records

1. Click the **New** button. A Gifted Detail editor displays.
2. Enter the applicable information for the student.
3. Click the **Save** icon when finished. The saved record displays in the Gifted and Talented editor.
4. Select the saved record from the editor to view or make changes.
5. Click **Print Summary Report** to generate a PDF of the Gifted record.
6. Click the **Documents** button in the action bar to view or add documents related to the student's Gifted record. For more information, see the [Student Person Documents](#) article.

Gifted records may not overlap. To add a new record, the previous record must be end-dated.

Delete records only when created in error.
