Enrollments (Delaware)

Last Modified on 06/25/2026 11:08 am CDT

Tool Search: Enrollments

The Enrollments tool lists all current and historical enrollments for each student in the district. By default, enrollment records are listed first by grade level, then by enrollment start date. To reorder the list of enrollments, click the blue hyperlinked headers in the Enrollments Editor list. The list of enrollments can be sorted by Grade, Calendar, Start Date, or End Date. The following information details the enrollment fields specific to **Delaware**.

> For additional information, including system preference settings and guidance on adding and printing Enrollment records, see the core Enrollments article.

Delaware Enrollments Tool

General Enrollment Information Field Descriptions

The table below provides definitions for each data element on the General Enrollment editor.

Data Element	Definition	Location	Report(s)
Enrollment ID	Displays the unique identification number of the enrollment record from the database. This is a read-only field and is for informational purposes only.	**Database Location:** Enrollment.enrollmentID **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > enrollmentID	
Calendar	Lists the name of the school and the school year in which the student is enrolled.	**Database Location:** Enrollment.calendarID **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > calendarID	
Schedule	Displays the schedule structure of the calendar into which the student is enrolled.	**Database Location:** Enrollment.structureID **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > structureID	
Grade	Indicates the grade level of the enrollment record. Grade levels should be mapped to state grade levels for proper reporting.	**Database Location:** Enrollment.grade **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > grade	Student School Associations
Class Rank Exclude	Indicates this enrollment record is not included in class rank calculations. This is often selected for foreign exchange students or special education students.	**Database Location:** Enrollment.classRankExclude **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > classRankExclude	

Data Element	Definition	Location	Report(s)
External LMS Exclude	When marked, the enrollment is not included in shared Campus data with an external learning management system.	**Database Location:** Enrollment.externalLMSExclude **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > externalLMSExclude	
Start Date	Lists the first day of instruction for this enrollment record. When a start date is changed on an enrollment record, a warning displays indicating that any previously entered attendance that may have occurred prior to the new start date is not deleted, unless the student's start date in course sections is also adjusted. If the student's enrollment already has an end date (or where an end date is entered when the start date is adjusted), attendance that is outside of the start/end dates is deleted.	**Database Location:** Enrollment.startDate **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > startDate	Student School Associations

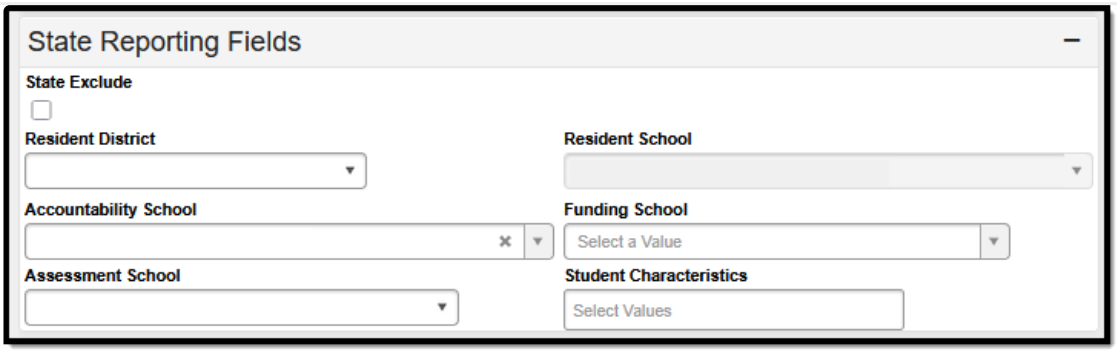

Data Element	Definition	Location	Report(s)
No Show	Indicates the student never attended the school during the allotted time period determined by the district. State and/or district policies determine when a student's enrollment is actually ended.	**Database Location:** Enrollment.noShow **Ad hoc Inquiries:** N/A	
End Date	Lists the last day of instruction for this enrollment record. When an enrollment ends and there are no more enrollments for the student, the student's schedule also ends. If the student's enrollment already has an end date (or where an end date is entered when the start date is adjusted), attendance outside of the start/end dates is deleted.	**Database location:** Enrollment.endDate **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > endDate	Student School Associations

Data Element	Definition	Location	Report(s)
End Action	Indicates the action of promoting, retaining, or demoting a student to the next, same, or previous grade level for the next school year.	**Database Location:** Enrollment.endAction **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core elements > endAction	Student School Associations
Service Type	Indicates the type of enrollment and the intended service the student receives. Service Types include (P) Primary, (S) Partial, and (N) Special Education Services. If a student has multiple concurrent enrollments (for example, an 8th-grade student enrolled in the Middle School who is taking High School classes for part of the time), the Middle School enrollment would be marked as Primary, and the High School enrollment would be marked as Partial.	**Database Location:** Enrollment.serviceType **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core elements > serviceType	

Data Element	Definition	Location	Report(s)
Local Start Status	Lists the local enrollment start code for the student.	**Database Location:** Enrollment.localStartStatusTypeID **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > localStartStatusTypeID	Student School Associations
Local End Status	Lists the local enrollment end code for the student.	**Database Location:** Enrollment.localEndStatusTypeID **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > localEndStatusTypeID	Student School Associations
State Start Status	Displays the state start status mapped to the assigned local start status.	**Database Location:** Enrollment.startStatus **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > startStatus	
State End Status	Displays the state end status mapped to the assigned local end status.	**Database Location:** Enrollment.endStatus **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > endStatus	
Start Comments	Comments about the start of the enrollment - who entered the enrollment, verified information, etc.	**Database Location:** Enrollment.starComments **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > startComments	
End Comments	Comments about the end of the enrollment.	**Database Location:** Enrollment.endComments **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > endComments	

Data Element	Definition	Location	Report(s)
CRDC School of Accountability	School the student should report under for the CRDC results, regardless of the school in which their enrollment is aligned.	**Database Location:** Enrollment.schoolOfAccountability **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > schoolOfAccountability	
School Choice	Indicates school choice was applied for the enrollment.	**Database Location:** Enrollment.schoolChoiceProgram **Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > schoolChoiceProgram	Student School Associations
Choice Basis Reason	Indicates why the School Choice was made at the enrollment level. • 1: State and Local • 2: Title I School Under Improvement (NCLB) • 3: Unsafe School (NCLB) • 4: Victim of a Violent Felony (NCLB)	**Ad hoc Inquiries:** Student > Learner > Active Enrollment > Core Elements > choiceBasisReason **Database Location:** Enrollment.choiceBasisReason	Student Education Organization Associations Student School Associations

State Reporting Field Descriptions

Delware State Reporting Fields in the Enrollments tool

The following fields appear in the Delaware State Reporting Fields section of the Enrollments tool. The "Reports" column indicates which state reports draw from each field.

Field	Description	Database Location	Reports
State Exclude	Excludes the enrollment record from reporting on all state reporting extracts that honor state exclude functionality.	**Database Location:** Enrollment.stateExclude **Ad hoc Inquiries:** Student > Learner > Active Enrollment > State Reporting elements > stateExclude	
Resident District *(Read-Only)*	District in which the student lives.	**Database Location:** enrollment.residentDistrict **Ad hoc Inquiries:** Student > Learner > Active Enrollment > State Reporting Elements > residentDistrict	
Resident School *(Read-Only)*	School the student would attend based on the permanent or other home address.	**Database Location:** Enrollment.residentSchool **Ad hoc Inquiries:** Student > Learner > Active Enrollment > State Reporting elements > residentSchool	Student Education Organization Associations
Accountability School	School where a student's academic performance is assigned for the purpose of evaluating Adequate Yearly Progress (AYP) and determining school performance ratings.	**Database Location** es.accountabilitySchool **Ad hoc Inquiries:** Student > Learner > State Localized Elements > accountabilitySchool	Student Education Organization Associations

Field	Description	Database Location	Reports
Funding School	School that receives funding for the student.	**Database Location** es.fundingSchool **Ad hoc Inquiries:** Student > Learner > State Localized Elements > fundingSchool	Student Education Organization Associations
Assessment School	Associated school in terms of the Delaware System of Student Assessment (DeSSA).	**Database Location** es.assessmentSchool **Ad hoc Inquiries:** Student > Learner > State Localized Elements > assessmentSchool	Student Assessment Registrations
