Tool Search: Enrollments

The Enrollments tool lists all current and historical enrollments for each student in the district. By default, enrollment records are listed first by grade level, then by enrollment start date. To reorder the list of enrollments, click the blue hyperlinked headers in the Enrollments Editor list. The list of enrollments can be sorted by Grade, Calendar, Start Date, or End Date. The following information details the enrollment fields specific to **Delaware**.

For additional information, including setting system preferences and guidance on adding and printing Enrollment records, see the core [Enrollments](#) article.

The screenshot shows the 'Enrollments' tool interface for a student named Hailey. The top navigation bar shows 'Student Information > General > Enrollments'. The main area is titled 'Enrollment Editor' and includes a 'Save' button and a 'New Enrollment History' link. The interface is divided into several sections:

- General Enrollment Information:** Contains fields for 'Enrollment ID' (Calendar dropdown set to '25-26 Campus School'), 'Start Date' (calendar icon), 'End Date' (calendar icon), 'Grade' (dropdown), 'Class Rank Exclude' (checkbox), 'External LMS Exclude' (checkbox), 'No Show' (checkbox), 'End Action' (dropdown), and 'Service Type' (dropdown set to 'P: Primary'). It also includes 'Local Start Status' (dropdown) and 'Local End Status' (dropdown).
- Future Enrollment:** Contains fields for 'Next Calendar' (dropdown), 'Next Schedule Structure' (dropdown), and 'Next Grade' (dropdown).
- State Reporting Fields:** Contains sections for 'State Exclude' (checkbox), 'Resident District' (dropdown), 'Resident School' (dropdown), 'Accountability School' (dropdown), 'Funding School' (dropdown), and 'Assessment School' (dropdown).

At the bottom of the interface, it says 'Rolled From Enrollment ID: N/A' and 'Delaware Enrollments Tool'.
