

# Data Certification Event User and Event Statuses (District Edition)

Last Modified on 09/05/2025 11:24 am CDT

This article defines the meaning of each User Status and Event Status found in the Event Management tool.

**Data Certification tools are only available for districts connected to a State Edition of Campus that have purchased the [Campus Data Suite](#).**

## Users Status

User statuses are unique to the user who is logged into Campus and their progress with each event.

Value	Definition	Only Valid with an Event Status of:
<b>Certification Incomplete</b>	User has not completed certification	In Progress
<b>Incomplete - Overdue</b>	User did not complete certification by the due date	In Progress
<b>N/A</b>	User is assigned to the event as a Reviewer.	All
<b>Certification Complete</b>	User has completed their portion of the certification	In Progress, Certification Sent to State
<b>Recertification Request Pending</b>	The user has sent a recertification request to the state	Certification Sent to State
<b>Complete</b>	Certification has been approved by the state	Certification Approved by State

## Event Status

Event statuses indicate the current status of each event.

Value	Definition
<b>In Progress</b>	One or more certifiers have not completed certification.
<b>Certification Sent to State</b>	All certifiers have completed certification

Value	Definition
<b>Certification Approved by State</b>	The state has approved certification
<b>Recertification Request Sent</b>	A district/school user has requested recertification
<b>Recertification In Progress</b>	The state has sent the certification back to the district/school to recertify
