

# Past Due Report

Last Modified on 12/14/2025 8:45 pm CST

The Past Due Report displays all overdue amounts for selected tuitions as of a specific date. You can select accounts using one or more tuition groups or an ad hoc filter, and set the required 'As of Date' to define the reporting period. The report shows student names, payer names, tuition names, and total overdue amounts. Results can be previewed and exported to PDF or Excel.
